POLICY FOCUS	Accredited Provider

1 PURPOSE OF THE CCCEP ACCREDITED PROVIDER POLICY

The purposes of the accredited provider policy are:

- To establish standards for the uniform assessment and acceptance of program provider accreditation; and
- To assess the capacity of a program provider to satisfactorily apply the standards and guidelines for CCCEP accreditation and deliver quality continuing education.

2 CRITERIA FOR PROVIDER ACCREDITATION

There are ten core criteria and four optional criteria for provider accreditation. Providers who meet the core criteria may be eligible to be recognized as CCCEP accredited providers. Providers who also meet three of the four optional criteria will be accredited with commendation for leadership in continuing education.

The core criteria are based on the standards and guidelines for CCCEP accreditation. The Standards for CCCEP Accreditation are used as the criteria for assessment of the program capacity of the provider.

2.1 Capacity Area I: Purpose and Mission

Criterion 1. The program provider has an approved, written mission or purpose statement and a set of strategic goals/objectives that are driven by professional development and patient care needs and describe the purpose of its continuing pharmacy education programs, content focus, target audiences, types of activities and expected results.

Criterion 2. The program provider has a current strategic or business plan that is based on its mission and strategic directions or goals/objectives and describes the provider's program priorities, how specific programs/activities will contribute to its strategic goals/objectives, and the goals and objectives of each program, activity or project in measurable terms.

Criterion 3. The program provider has an ongoing program and organizational process to ensure its strategic goals and objectives are being met.

2.2 Capacity Area II: Continuing Education Programs

Criterion 4. The program provider generates programs/educational interventions that meet CCCEP standards, required elements and guidelines for educationally sound programs.

- Standard 1: All learning activities will be relevant to and facilitate the transfer of learning to practice.
- Standard 2: All learning activities will have written learning objectives.
- Standard 3: The content and delivery of a learning activity will be balanced, evidence-based, fair and objective.
- Standard 4: The learning activity will facilitate effective adult learning.

2.3 Capacity Area IV: Sponsorship

Criterion 5. The program provider appropriately manages sponsorship in accordance with the CCCEP standards, required elements and guidelines on sponsorship.

- Standard 5: All individuals who are involved in any aspect of a learning activity will disclose real or potential conflict(s) of interest that may impair their objectivity or give rise to a perception of bias.

CCCEP Code of Practice on Sponsorship

2.4 Capacity Area III: Program Improvement

Criterion 6. The program provider has a program monitoring and evaluation system (quality assurance system) which meets the CCCEP standards, required elements and guidelines for program improvement.

- Standard 6: The provider will regularly evaluate each learning activity to improve the accuracy of the content and the quality of the learning experience.

2.5 Capacity Area V: Promotion and Marketing

Criterion 7. The program provider's operations and materials meet the standards, required elements and guidelines for promotion and marketing of programs.

- Standard 7: Learning activities will be educational and will not promote products or companies, or contain promotional materials.

2.6 Capacity Area VI: Organization and Administration

Criterion 8. The program provider has an organizational and decision-making structure and capacity sufficient to develop and deliver programs in accordance with the standards, required elements and guidelines for CCCEP accreditation and to fulfill its mission, goals and objectives. Specifically, the program provider has:

- Sufficient financial resources for sustainable delivery of quality programs;
- Academic and administrative human resources with the appropriate expertise;
- A system for recognition of learners in accordance with CCCEP guidelines; and
- Maintenance of learner and program records.

Criterion 9. The program provider ensures that its governance, operations and activities meet accepted professional, ethical and legal standards.

Criterion 10. The program provider has a policy system that includes:

- A learner grievance or complaints policy
- A conflict of interest policy
- A learner recognition policy
- A learner records retention policy
- A privacy policy.

2.7 Capacity Area VII: Advancing Continuing Professional Development (Optional)

Criterion 11. (Optional) The program provider engages in research and innovation that contributes to the discipline of continuing health education and continuing professional development.

2.8 Capacity Area VIII: Advancing Pharmacy Practice (Optional)

Criterion 12. (Optional) The program provider promotes practice change by:

- Integrating continuing education programs/interventions into the process for improving professional practice;
- Using strategies to enhance change as an adjunct to educational activities (e.g., reminders, patient feedback); AND
- Undertaking educational strategies to remove, overcome or address barriers to change created by pharmacy professionals and workplace.

Criterion 13. (Optional) The program provider supports collaboration and cooperation among health professionals through policy and program initiatives in the area of interprofessional and collaborative practice.

Criterion 14. (Optional) The program provider is positioned to provide leadership and to influence the scope and content of educational programs.

3 ELIGIBILITY TO BE AN ACCREDITED PROVIDER

- 3.1. A program provider seeking initial accreditation must normally be a legally incorporated, non-profit Canadian organization.
- 3.2. The granting of accredited status to a provider of continuing pharmacy education does not automatically imply recognition of that provider’s satellite organizations, or divisions.
 - 3.2.1. A provider wishing to obtain accreditation for divisions or satellite operations may submit a special request to obtain accreditation for all divisions.
 - 3.2.2. The provider may be required to submit documentation for all divisions or operations if these are deemed to operate with different policies or personnel, or have a different history of providing continuing pharmacy education.
 - 3.2.3. A surcharge may be applied for the assessment of applications for the evaluation of multiple sets of policies and sites for organizations applying to accredit multiple satellite organizations.

4 APPLICATION AND MAINTENANCE ACCREDITED PROVIDER STATUS

4.1 Application

- 4.1.1. Providers applying for initial accreditation and Accredited Providers applying for maintenance of accredited status will submit data that documents compliance with the criteria for accreditation.
- 4.1.2. In the assessment process, CCCEP will rely upon the provider’s prior experience in continuing pharmacy education programming. CCCEP may seek additional detailed information as deemed necessary for an assessment of the provider’s capabilities, and may also survey participants and others regarding the provider’s educational activities.

4.2 Initial Accreditation Application

- 4.2.1. Applications for Accredited Provider status will be reviewed by a committee of the Board. The Committee shall make a recommendation to the Board on whether or not to approve the application for Accredited Provider status.
 - 4.2.1.1. The Recommendations regarding Applications for Accredited Provider status will normally be reviewed by the Board of Directors at their regular meetings in May and November of each year.

POLICY FOCUS	Accredited Provider

4.2.1.2. An organization seeking to become an Accredited Provider will submit an “Intent to Apply” for Accredited Provider by January 15 in order for their Application to be reviewed in May and by July 31 in order for their Application to be reviewed by the Board in November. The Accreditation Policy Committee may grant an exception to these dates.

4.2.1.3. Upon receipt of the Intent to Apply, CCCEP will provide the applicant with information on the application process and timeline.

4.2.2. Application materials will be submitted to the CCCEP office. The application will be accompanied by an application fee, which is intended to cover the costs associated with processing the application.

4.2.3. The application process includes (See Appendix A for a schedule and timeline):

4.2.3.1. Submission of Intent to Apply for accredited provider status;

4.2.3.2. The submission of a Self-Assessment Report and support documents;

4.2.3.3. Review of completeness of the application;

3.3.1. If an application is incomplete, CCCEP will advise the applicant of the items that need to be completed before the application can be reviewed;

4.2.3.4. Review of the application documents by the review committee

4.2.3.5. Interviews with key personnel of the program provider, which may be in person or by electronic communications;

4.2.3.6. Accreditation review report prepared by the review committee for the consideration of the Board of Directors;

4.2.3.7. Decision by the Board of Directors on the application; and

4.2.3.8. Notification of the provider of the Board’s decision.

4.2.4. Following the decision of the Board of Directors, CCCEP will forward a formal notice to the applicant. The notice will indicate that:

4.2.4.1. CCCEP has awarded Accredited Provider status, or

4.2.4.2. Request that the applicant revise and resubmit the questionnaire, or

4.2.4.3. Deny approval, in which case the report will indicate the reason(s) for the decision.

4.2.5. A provider that is awarded Accredited Provider status will be invoiced for the annual accreditation fee, as set by CCCEP (see fees). Upon receipt of this fee, the provider’s Accredited Provider status will be published on the CCCEP website.

4.3 Accreditation Period

4.3.1. The accreditation of a provider is an ongoing accreditation, subject to:

- 4.3.1.1 The submission of participant evaluations, the annual accredited provider report and other information as outlined in the section on Monitoring and Reporting; and
- 4.3.1.2 A satisfactory accreditation review conducted at least once every four years.

4.3.2. A provider who fails to meet these two conditions may be placed on probation.

4.3.3. For initial accreditation, the provider will be considered to be on probation for the first two years. A probationary review which will be completed within three months of the completion of the probationary term.

4.3.4. After two years as an accredited provider, a provider who has demonstrating leadership and advanced practice in continuing education may apply for and be awarded an accreditation with commendation. The accreditation with commendation will be for a period not exceeding six years; after which the provider may re-apply for accreditation with commendation for another term.

4.4 Maintenance of Accredited Provider Status

4.4.1. The maintenance of accredited provider status requires that:

4.4.1.1. The accredited provider affirms their desire to maintain their accredited provider status in each annual report;

4.4.1.2. The accredited provider fulfills the reporting requirements as outlined in the section of this policy on Monitoring and Reporting;

4.4.1.3. The annual review of the learner evaluations indicates satisfactory program quality and program management; and

4.4.1.4. The quadrennial accreditation review indicates that the provider is in compliance with the criteria for provider accreditation and has the capacity and competencies to meet these on an ongoing basis.

4.4.2. CCCEP will review the learner evaluations each year and discuss the accredited provider's follow-up actions to these evaluations;

4.4.3. CCCEP may, at its discretion, conduct an accreditation review at any time.

4.4.4. An accreditation review will be conducted of the accredited provider at least once every four years. This review will include:

4.4.4.1. A review of one or more programs of the accredited provider;

4.4.4.2. A review of the learner evaluations and the accredited provider's follow-up actions;
